Summary

A web developer based in Ghana, I love to design and code glamorous simple things, and I love what I do. I don't like to define myself by the work I've done but by the work I want to do. I'm an open-minded person with deep empathy and a people-person, I easily get inspired and with my abundant energy which fuels me to pursue many of my interest, hobbies and artistic endeavors.

As a self taught developer, I have gotten hands down with projects, challenges, research and learn from my mistakes.
